

TO MEMBERS OF THE NATIONAL AEROBATIC TECHNICAL COMMISSION.

TO ALL PILOTS WITH THE NATIONAL QUALIFICATION FOR AEROBATIC FLYING.

Dear members of the RFAE (Royal Spanish Aeronautic Federation):
Being the responsibility and competence of the Royal Spanish Aeronautic Federation according to article 33.2 from the Law 19/1990, dated October 15th (sport) the representation of Spain in all the International Contests, and also the selection of all the members that must compose the National Aerobatic Team;
As per the low assistance of participants in the last National Aerobatic contest in both categories, Advanced and Unlimited; As a consequence of the poor training of the team members that have been elected to be part of the National Team in the last years; As a consequence of the lack of good results achieved by the team members of the National Aerobatic Team in the last International Championship; As per the necessity to manage properly the economical support only to those Teams that only guarantee at least a possibility to achieve triumphs or worthy results due to their personal sacrifice and training; After long thinking and some inquired to the National Aerobatic Technical Commission, we communicate to all the sportsmen with national qualification for Aerobatic Flights, that this year the RFAE will not participate nor in the Advanced World Championship, nor in the Unlimited European Championship, and as a consequence there will not be any National Team or no Team that will represent Spain in these Championships.

Madrid, May 31st,2010.
